During an auction, there comes a time where the auctioneer will start selling more than one fish at a time. Until that time, fish will be sold one at a time. Auctioneer will start selling fish in pairs or more at the beginning of a set of rounds. The seller must be aware of this occurrence and if they object, may sell fish in the Overflow sale, but will not be able to auction fish.

Are you only selling small fish and wish the auctioneer to sell fish in pairs or more? _____

Do you require Friday drop-off of Koi? _____

If possible, do you require club assistance in catching and transporting fish? _____

Will you be selling plants/equipment/both? _____ Do you require tubs for water plants? _____

Owners must certify that the fish they are selling have not been exposed to the Koi Herpes Virus and are not knowingly carriers of KHV. Fish should be healthy and not actively showing signs of illness or disease. Any fish brought to the auction in less than healthy condition may be rejected and owners will be required to take the fish home at the auction chairperson's discretion.
